## 1. MANDATE

The English Montreal School Board's B.A.S.E. (Before and After School Enriched) Daycare Program is a Quebec government subsidized supervision service offered outside regular class hours for preschool and elementary school children. Its objective is to enhance the lives of children ages 4-to-12 years old by providing them with enriching educational activities.

The B.A.S.E. mandate is fulfilled as follows:

- Provides a welcoming and nurturing environment that ensures the safety and general well-being of the children served;
- Complements and contributes to the achievement of the school's commitment to success plan;
- Promotes a culture of student success by coordinating activities and recreational projects pertaining to the six educational cores: Homework and Snack, Creative Arts, Media Awareness, Physical Activity, Environmental Consciousness and Specialty Programs, such as those tailored for children with special needs. All of these programs contribute to the children's overall development.
- Encourages the development of the children's social skills, such as respect, cooperation and openness to others;
- Offers homework support after school by providing students with an appropriate place in which to work and the time and materials they require;
- Builds a professional learning community that contributes to early childhood education and care by enhancing the competencies of the daycare staff through continual professional development and mentoring programs.

## 2. THE SIX B.A.S.E. EDUCATIONAL CORES

The B.A.S.E. Daycare Program forms partnerships with universities, organizations and professional companies to offer a full range of enriching activities to students at no additional cost to parents. These activities can take place during all daycare periods—morning, lunch and after-school—and are usually offered through three sessions of eight to 10 weeks. **These specialized activities vary from daycare to daycare and complement what the daycare educators are already facilitating with their group of students.**

### **EXTRACURRICULAR ACTIVITIES DURING COVID-19:**

All extracurricular activities offered by external partners and professional companies are cancelled until further notice. Daycare educators will animate all activities.

## The Six B.A.S.E. Educational Cores:

### Homework and Snack Educational Core

The Homework and Snack Educational Core is offered every day of the school year. Children are provided with a nutritious snack and a 45-minute to one-hour homework period in a quiet area. Homework support does not relieve parents of their responsibility to make sure that their child has completed his or her homework.

### Creative Arts Educational Core

The Creative Arts Educational Core offers activities focusing on self-expression and providing opportunities for creative fulfillment and personal successes.

**Programs include:** Drawing Skills, Animation, Storybook Creation, Comic Book Design, Drama and Theatre, Puppetry, Glee Club, Song Writing and Printmaking

### Physical Activities Educational Core

The Physical Activities Educational Core gets students moving, learning and having fun in a non-competitive environment. It promotes good health and improves fitness levels.

**Programs include:** Fitness, Dance, Yoga, Soccer, Tennis, Basketball and Multi-Sport Program

### Media Awareness Educational Core

The Media Awareness Educational Core helps children become critical producers and consumers of media.

**Programs include:** Digital Storybooks, Photography, Photojournalism, Newspaper Club, Radio Journalism, Television Journalism and Documentary Film

### Environmental Consciousness Educational Core

The Environmental Consciousness Educational Core fosters awareness of the roles students play in the natural environment and caring for the planet.

**Programs include:** Green Awareness Club, Garden Club, Composting, Garden to Plate and Slow Food Cooking

### Specialty Programs Educational Core

The Specialty Programs Educational Core develops students' social, communication and life skills. It also caters to students with special needs.

**Programs include:** Play it Fair!, Budding Scientist, Build Your Own Board Game, Robotics, STEAM, Therapeutic Horseback Riding Program and Adapted Tennis Program

## 9. HEALTH

### A. NUTRITION

Daycare students are provided with a nutritious snack every day after school as per the EMSB Nutrition Policy. If your child has any allergies, please provide them with a snack from home. We cannot guarantee that the snacks purchased are nut free.

### B. ALLERGIES

Allergies or other health problems must be clearly identified by parents on the Daycare Registration Form. Please ensure that the school is provided with an Epi-Pen, if needed. If your child develops an allergy during the school year, the daycare staff must be notified immediately.

### C. ILLNESS

We cannot accept students at the daycare who show symptoms such as vomiting, fever or diarrhea. If such a situation arises, we will immediately call the parent to come pick-up their child without delay.

#### **ILLNESS DURING COVID-19**

Given the exceptional circumstances in which we are living, we must collectively do our part to reduce the risk of COVID-19 transmission in our schools and centers. As such, Public Health Authorities ask that parents monitor their children's symptoms each morning before they leave for school. In order to ensure a safe learning environment for all, your commitment to evaluate your child's health on a daily basis is important.

### D. MEDICATION

Administering medication to children is a parental responsibility. In order for daycare staff to administer medication, the following must be respected:

- A doctor must prescribe the medication. Under no circumstances will non-prescriptive medication be administered.
- The container must have a legible prescription containing all pertinent information.
- An *Authorization to Administer Medication* form needs to be dated and signed by a parent or guardian at the school level. The Medical Form must be submitted with the medication.

- Parents must inform the main office before their child enters the school premises that the above procedure has been followed.

#### *E. INJURIES AND EMERGENCIES*

It is inevitable that children will have accidents, but with supervision and preventative measures in place, our daycare will make every effort possible to avoid injury.

#### **Procedures for notifying parents are as follows:**

- Head injuries: If a child hits his/her head, however minor it might be, the child's parent will be notified by telephone.
- Head Lice: As per school policy, the child will be sent home so that a treatment can be administered. He/she will be permitted to return once all the lice and nits have been removed.

If there is a medical emergency or a serious accident, daycare staff will take the necessary measures (administer an EpiPen, call 911, give First Aid). Daycare staff will inform the parent at the earliest possible moment. If transport by ambulance is necessary, the parents will incur the fees.
