PRINCIPAL'S MESSAGE

Dear Cedarcrest Community,
Welcome to the month of February!
This month promises to be a busy and productive one as we will be celebrating Black History as well as Kindness month. Please remember that we will be holding Parent-Teacher Interviews online and priority will be given to students that are recommended by the teachers. Wishing you all a LOVE-ly month!

WE NEED YOUR HELP!

While there is still a bus strike, it is imperative that everyone be vigilant when dropping off and picking up your children. Please do not U-turn in front of the school and slow down. Keep our kids safe!!

GR. 4 VACCINATION

On February 8, Grade 4 students will be receiving vaccinations. Please ensure that your child wears a short-sleeved shirt to facilitate the process.
