

MARCH 2024

PRINCIPAL'S UPDATE

Dear Cedarcrest Community,
Welcome back! I hope you all had a chance to profit from the time off during the March Break. As we return to school, I am sure that time will fly between now and the end of the school year. This month, we will be hosting another event for our K4 and K5 parents and our grade 2 students will have the opportunity for dental screening and dental sealants to help in oral hygiene.

Many of our students will be observing Ramadan and Easter at the end of the month. Before we know it, March will be over. Wishing you all a lovely month!

CEDARCREST PANTRY

Being part of a community means that we help each other out wherever the need may be. Our Home and School has started something called the Cedarcrest Pantry, where we can donate non-perishable items and then donate them to families that are in need. This is something that we would like to have all year and you may send in your non-perishable items with your child and they can place it in the boxes that are located around the school. Distribution will be confidential and discreet.

MARCH 22- REGULAR SCHOOL DAY

Please take note that Friday March 22, 2024 will be a regular school day and April 8, 2024 will now be a Ped. Day.
